

## ASSE REGION VI

Region VI of the American Society of Safety Engineers is comprised of 14 chapters stretching from Delaware to South Carolina. 2016 marks the 30th annual professional development conference, which has been described as the biggest little PDC around. This conference is recognized nationally and is totally run by volunteers in the region!

## KEYNOTE SPEAKERS

**Wednesday: September 21**  
**Erike Young, MPAA, CSP, ARM**  
*Risk Managers are from Mars, Safety Professionals from Venus:  
Creating a Perfect Marriage*

Great EHS professionals understand risk and great risk managers understand EHS. Enterprise Risk Management (ERM) is essentially the marriage of the two disciplines. Join us to learn how!

**Thursday: September 22**  
**Regina McMichael**  
*The Wife Left Behind: The Making of a Safety Professional*

Regina has worked as a safety professional for over 25 years, but only recently began to speak publicly about what it means to start your life over and then dedicate it to saving just one life – just one – in trade for the one that was lost.

## LUNCH & LEARN

Thursday, September 22 ♦ 12:15 - 3:15PM  
**Managing Up Through the Use of Influence and Collaboration** • Julius Rhodes  
Join us for this 3 hour learning opportunity and get even more CEUs! Lunch with other safety professionals & get more out of your time at the PDC! .

**Friday: September 23**  
**Safety Summit • Executive Leaders**  
*Facilitated by Diana Stegall*

Join Diana as she leads a group of executive leaders through a discussion about what it means to lead with safety and how they define success in the safety field!
